Cooper Park Summer Tennis Camps:

Summer tennis camps will begin June 8, 2010 and run each week thru July 27, 2010. That is 8 weeks of lessons. The lessons will be on Tuesday morning of each week. The groups will be: 8 and under and 12 and under. An additional group may be added for older ages if there is enough interest. Groups may vary according to number of entrants and their ages. The fee for the program is \$30.00 per child. Tentative time schedules are as follows.

8:00 – 9:00 am 8 and under (23" racquets, foam balls and quick start courts)
9:00 – 10:00 am 12 and under (25" – 27" racquets and low compression balls)

These lessons will be designed to give the children the knowledge of the strokes used in playing tennis and how to apply these strokes in a game play situation. Lessons will be geared to allow the children to have fun and learn at the same time. Please make sure that each child will have appropriate clothing, shoes, water bottle and sunscreen while attending camp. We will supply racquets to those children who do not have their own.
